Ethan Powers

Software Developer

Graduate of The Ohio State University with a degree in Computer Science Engineering and an accomplished Eagle Scout, reflecting dedication to leadership, community involvement, and effective teamwork. Passionate about building upon my knowledge of web and mobile technologies like React and React Native.

WORK EXPERIENCE

Software Developer
BrewLogix

03/2024 - 10/2024

Achievements/Tasks

- Spearheaded the development of our internal application for sales and customer success.
- Developed and maintained customer-facing applications, focusing on data visualization and integrity.
- Collaborated closely with our UX designer to build a robust and intuitive customer experience.

Software Developer
Mach One Digital

04/2023 - 03/2024

Achievements/Tasks

- My team built the BreweryDB mobile app using React Native, and GraphQL. (Contracted by BrewLogix)
- Upon completion of the initial contract myself and part of my team merged with one of the BrewLogix teams to develop the app further, and assist with other BrewLogix projects.

IT Intern
Total Quality Logistics

06/2021 - 08/2021

Achievements/Tasks

- Reached the final round in a company-wide hackathon with a team of other interns.

EDUCATION
